Welcome to the SCAN conference 2010 website. From the menu above, you can obtain more information about the venue, destination, programme and even register online. Please take a moment to read these pages carefully.

Registration deadline: Wednesday 15th September 2010

ADDICTIONS IN A CHANGING LANDSCAPE

The usual variety of evidence based practice and translation of the latest policy and guidelines into the real world, complemented by relevant research and other essential issues in the clinical treatment of addictions.

Who should attend? Open to all specialists with, or preparing for a leadership role in the field, including psychiatrists (all grades), clinical psychologists, nurses, specialist GPs and other allied health professionals.

The programme will include sessions on:

- The policy agenda
- Practising addiction psychiatry in a changing landscape
- Gambling: science, policy and practice
- New frontiers in recreational drug misuse
- New business for addiction psychiatrists
- Opioid substitution therapy across Europe
- Alcohol treatment: evidence and models
- Sick doctors

Keynote speaker: Dr Antoni Gual

Other speakers include: Dr Peter Anderson, Dr Owen Bowden-Jones, Dr Eilish Gilvarry, Dr James Bell, Dr Adam Winstock, Dr Ken Wilson, Dr Andrew Johns, Prof. John Strang, Dr Marta Torrens, Dr Nick Barton, Prof. Anne Lingford-Hughes, to name a few.
